Instructions

Who May File. Any Native American who claims exemption from Nebraska state taxes may file this application. If this application is approved by the Nebraska Department of Revenue (Department), a Nebraska Native American Tax Exemption ID Card will be issued to the applicant. This card must be kept by the Native American as evidence of his or her exempt status. To document an exemption from Nebraska taxation, a Native American must submit a [Nebraska Exemption Certificate for Native Americans, Form 26](#) to the retailer, employer, or county official at the time the exemption is claimed. A Form 26 is not necessary if the sale is less than \$50.

When and Where to File. This application may be filed with the Department at PO Box 98903, Lincoln, NE 68509-8903. Retain a copy of this application for your files.

Address Information. Enter the address where you reside and enter your mailing address, if different. Any change of address must be reported by filing a Nebraska Application for Native American Tax Exemption ID Card, Form 25. A change of address to a location off the reservation or outside of Indian country terminates the cardholder's exempt status and the Nebraska Native American Tax Exemption ID Card is no longer valid and must be returned to the Department.
